Brandimonilk

San Diego/Santa Cruz, CA - What can we not say about Brandimonilk? I know talentless. Anybody who has heard her sing knows that is far from factual. She is a versatile female vocalist who can sing R&B, Electronica, Spanish and Pop. The sky is the limit for her and Mayhem has the goal of making her the biggest female pop star period

Lk

San Jose, CA Another versatile Rapper with so much ability. Younger brother of Untouchable entertainment founder Mayhem he definitely shows that he comes from a family of talent but has his own spices to add to the family pot. Joining the Untouchable label in 06 he definitely is one of the U's finest and has unlimited potential.

J Payso

San Jose, CA, a rapper who is doing nothing but getting better. When you're on a label with artists like Mayhem, DLabrie & Lk if you don't bring your a game you can be quickly embarrassed. He has truly evolved and will be pivotal for Untouchable entertainment in 2010.

J Blaze

From Monterey, CA, born in Kentucky raised on the east coast he finally found a place he belonged, Monterey, CA. He is a very talented rapper 1 who has been an artist on Untouchable Entertainment since 2005. He brings a diverse approach to life and his flow is reflective of that.

Untouchable Entertainment

Mayhem

San Jose, Ca (Founder/CEO of Untouchable entertainment). Many are saying that he has the potential to be the greatest rapper ever. Supreme versatility, lyricism, metaphors, club songs, cleverness, wordplay there isn't 1 area he lacks. When you hear Mayhem the thought that comes to mind is the present and future of hip hop is before our eyes. As a CEO he has demonstrated keen business sense and ability. Building Untouchable entertainment from an idea to a powerhouse movement is

quite impressive. He is 1 of those special ones we only get once a lifetime maybe once every 2 lifetimes...

Mia

San Jose, CA. Soft sultry and smooth harmonies come from this songbird. She made her debut on Mayhem's smash single Anything Goes (produced by traxamillion). On the empire strikes first mixtape vol 2 she

showed that she can add her smooth, sultry voice to even the most rugged hip hop beats and it would be an instant marriage with no sign of divorce. She is capable of doing reggae tone and other styles of music as well. An undeniable talent to say the least..
